[Cheat Sheet]

Basic Play

 $\underline{\text{Check}}$ – Roll 5 dice and compare the results to the appropriate **Attribute**. Results equal to or under the Attribute count as a success.

<u>Free Check</u> – Roll 1 die and compare the result to the appropriate Attribute. Does not consume dice.

 \underline{DR} – **Difficulty Rank**; the number of successes required to pass a Check.

Stress – Physical, mental, and emotional damage. Check off 1

Stress Box for each damage taken. Upon checking off all Stress Boxes, gain 1 Decay and cannot act until the end of the Scene / Conflict.

<u>Flaw</u> – Declare you are acting your **Flaw** and put yourself into a narrative disadvantage. Depending on how much trouble you are in, you may uncheck Stress Boxes.

Conflict

Each **Round** you get <u>5 dice</u> to spend on **Actions** / **Reactions**. <u>Yielding</u> – At the start of the Round, Conflict immediately ends and the party suffers a narrative consequence. <u>Evocative Descriptions</u> – May grant Bonuses, Extra Dice, or even Statuses depending on how well you describe.

Ranges

Nearby – Close distance; within the same Zone.

Midrange – Fair distance; one Zone away.

Faraway – Long distance; two Zones away.

Out of Range – Too far; cannot be targeted.

Statuses

High Ground - +1 Bonus on ranged attacks.

<u>Light Cover</u> – Make a Free **Body** Check upon taking damage, On success, take 1 less damage.

Full Cover - Take 1 less damage (to a minimum of 0).

<u>Hidden</u> – Cannot be targeted.

<u>Disarmed</u> – Cannot use the disarmed weapon until spending half Essence Dice / Threat.

<u>Grappling</u> – Grappled target cannot make any Actions; make another Check to maintain the grapple next turn.

 $\underline{Blinded}$ – Always fail any sight related Actions.

On Fire – Target takes 1 damage every turn.

<u>Poisoned</u> – Lose half Essence Dice / Threat each turn.

 $\label{eq:local_decomposition} \frac{Immobile}{-} - Target \ cannot \ Move, \ gain \ a \ +1 \ Bonus \ to \ attack \\ the \ immobile \ target.$

Combat Conflict

Actions

<u>Take Action</u> – Check to attack, deceive, etc.

<u>Assist</u> – Check to grant +1 Bonus to ally's Action.

<u>Create / Remove Status</u> – Check to create or remove a Status. <u>Move</u> – Spend 3 dice to change Zones.

<u>Set Overwatch</u> – Declare Action, dice, and trigger. Act when trigger is met.

<u>Improvise</u> – Anything else.

Reactions

Avoid – Check to avoid damage; 1 success negates 1 damage.

Spend one die at a time until damage is 0, you have no more dice, or you accept the remaining damage.

<u>All Out Defense</u> – Declare at Round start. Forfeit your turn but gain +1 Bonus on Avoid.

<u>Protect</u> – Spend 2 dice to give nearby ally 1 Bonus Die on Avoid Reaction.

Overwatch – Act on trigger.

<u>Improvise</u> – Anything else.

Stealth Conflict

Gain \mathbf{SP} equal to $\mathbf{Teq} + 1$. Upon reaching 0 SP, you become discovered.

Actions

Same as Combat unless otherwise stated.

<u>Take Action</u> – Lose all SP upon revealing self.

Move - Make a Check to move to a new **Node**.

Reactions

Same as Combat unless otherwise stated.

<u>Avoid</u> – For each unavoided damage lose 1 SP.

Social Conflict

Gain SP equal to leader's Soul + 1. Upon reaching 0 SP, negotiations have failed.

Actions

<u>Support</u> - Check to grant +1 Bonus to leader.

<u>Argue</u> – Leader makes a Check to convince, deceive, or intimidate the opposing side.

Reactions

<u>Counterpoint</u> – Upon taking social damage, make a Check to avoid damage. Multiple players may take this Reaction.

General Tips

- ·Before acting, check your Skills, Equipment, and Rhetoric.
- ·When in doubt, ask the GM for help.
- ·In Conflict, try to save some dice for Avoid Reactions.
- ·You can always Yield in dangerous fights.
- ·Creatively describe your actions and their results for boons.

DR for Creating Statuses

DR	Status Example
1	Temporary effect or takes little effort /
	Gaining High Ground on a hill
2	Takes a moderate amount of effort /
	Grappling a target your size
3+	Takes high effort or luck /
	Hiding in a mostly open area

Combat Zones
